

Course Selection Form

Graduate Semester Students Only

Please complete this form and upload with the rest of your application materials. Your application will not be reviewed without this completed form. A few things to remember:

- Graduate students applying for the Minnesota Semester should select 2-4 *preferred courses* (6-12 credits total) and 1-2 *alternate courses*. Courses and course selection process available at: gominnesota.umn.edu/areas-of-study.
- Academic year students only need to list classes for their first semester on campus.
- Students should select 5000, 6000, or 7000-level courses.
- All classes are offered on a space-available basis.
- GO Minnesota students may not enroll in Economics (ECON) or Chemical Engineering classes, or classes offered by the Carlson School of Management.
- Registration will take place after you arrive on campus and complete the ISSS Check-In and Welcome Session.
- If you need help completing this form, or if you have courses required for your participation, contact gomn@umn.edu.
